NEWSLETTER No. 318 JANUARY 2024

Committee News

Welcome to 2024. At its first meeting in 2024, your committee developed plans for initial lunches and outings this year (see Helen's note below for the Feb lunch). We were also reminded of the advantages of Bentleigh RSL membership with bus outings each month, as advertised in the "At Ease". Don't forget to check out our Facebook group and our Probust club web page (see the header above) for photos and other items of interest.

At our Australia Day meeting we need to know the interest in a V Line train trip and the March lunch to Yarragon. In the first week of April, we plan a visit to the Titanic artifact's exhibition at the Melbourne Museum. Don't forget to wear your name tags for the 26 Jan meeting and to bring and wear something green and/or gold for Australia day. We would also love it if

you could bring something special to you about Australia that we could show.

Special acknowledgement to Garry Fabian

Garry and his parents were interned at Theresienstadt - a ghetto, concentration camp and transit camp used by Nazi Germany to house Jews from across Eastern Europe. Of the 15,000 children who went through the camp, only 150 survived. Today, as a devoted Shrine volunteer, Garry inspires us all.
