Your Help is Needed

- Do you know how to cut and paste into a document and send out emails? We
- desperately need an assistant Editor to help with the monthly newsletter. See
- Vera at the meeting and offer your assistance.
- Are you able to give our indisposed members a call and send out get well cards? After many years keeping in
- contact with our members, VI Martin is retiring from the welfare role.
- We need members prepared to join the Committee and plan our activities. Why
- not share a club role with a friend. Two heads are always better than one and it's
- more fun too. Two people could organise
- say 3 outings a year. Helen also deserves
- a back-up to help arrange lunches when she is not available.
- **IT'S TIME TO HAVE A CHAT!!**

I'm not sure how many pieces of chocolate equals happiness, but so far, it's not 30.
